Registration

Welcome! ADP is committed to protecting your privacy and ensuring that only you can access your personal information. To assist us in meeting that commitment, you must register with us before using our services.

Before You Begin: You will need your organization’s registration code in the format "CompanyID-companyspecificcode" (for example, CompanyID-200Alabama1943). If you do not have this information, contact your organization’s administrator.

Go to the https://my.adp.com web site and click “Register Now”.

Security Tip: To protect your personal information from fraud, be sure to use a known computer or mobile device with a trusted internet connection.

Follow the instructions on the pages.

Enter your organizational registration code.
Enter your identity information and click on the “I’m not a robot” check box to answer a quick challenge and prove you are human.

Note: The appearance of your challenge might vary slightly based on your browser and its settings.
Complete the Google™ reCAPTCHA challenge.

Sample Challenge
- Click on all the images that meet the required criteria.
- Select all responses that apply.

Need help?
- To get a new challenge, click the Refresh icon.
- To hear an audio challenge, click the Headphone icon.
- To learn more, click the Information icon.
Select a valid response to each identity question within 30 seconds.

**Note:** These questions and their answer choices are generated from public records and other commercially available data sources. Your responses are not used for any purpose other than to verify your identity and are not shared with your organization.
Complete the information required on this page to continue.

Register Now
Your registration is complete. You can use your user ID and password to access your ADP service(s).

- Activate your email and mobile phone number to receive important notifications from your organization or ADP.
- Manage your account information to keep it accurate.
Activate Your Email Address

During registration, if you provided an email address that is not shared with others in your organization, look out for an activation email from ADP. Click the link in the email you receive from SecurityService_NoReply@ADP.com to complete the activation.

Activate Your Mobile Phone

During registration, if you provided a mobile phone number that is not shared with other users in your organization, look out for a text message from ADP. Reply with the code.

**Note:** In some countries, your activation process will differ; so, follow the instructions in the text message to activate your mobile number.
Forgot Your User ID/Password?

If you forget your login information, you can use the “Forgot Your User ID/Password?” link on your ADP service login page to retrieve your user ID and reset your password. During this process, you will be required to verify that you are the rightful owner of the account to protect your personal information.

Upon successful verification of the information that you entered, your user ID will be displayed.

Congratulations! You have successfully retrieved your user ID of your ADP service account.
To Reset Your Password

Select the “I don’t know my password” option. If you have an email address and/or mobile phone number that is not shared with others in your organization, you can receive and enter a security code.
If you don’t have access to your email/phone or you share your email address and/or mobile phone number with others in your organization, you will be prompted to answer security questions instead.

Upon successful verification of your security code or your security answers, you will be prompted to enter and confirm your new password.

Congratulations! You have successfully retrieved your user ID and reset your password of your ADP service account.
